

April 17th, 2018

Hello Everybody! We will be back to dancing this Thursday night.

Cruisen for Bob 4

Square dancers from the Moose Promenaders, the Mandarin Marauders, the Gypsy Squares and the Ocala Twirllers took to the high seas on the Carnival Elation as they cruised from Jacksonville to Bermuda with a brief stop in Half Moon Cay.

A square formed near the Carnival Elation.

Also inside the Cole Porter lounge, Bill Chesnut called the tips.

Nancy Brown with Lucy, a new found friend on the cruise.

The cruise to Bermuda seemed to be enjoyed by all.

But then it was time to go and say goodbye to our towel animals.

After our eight day adventure, we collected our belongings and went home.
