Cruisen for Bob 5, 2019*

We now have our 5th cruise scheduled for April 6th of next year on the Carnival Miracle. This will be a cruise to the Panama Canal. I have attached a flyer with the itinerary . If interested, please call Manny at 1-800-819-3902 X85172 with our Group # 2SGZ75. Please let me know if you will be cruising with us. The Cabins are limited, inside cabins and Ocean View are on the lower floors as 70% of the Ship are Balcony's. It is slightly larger ship than the Elation. It holds 2,124 guests and a crew of 934.

We are very excited for the opportunity of cruising the Panama Canal as this was on our Bucket List. Hope you all are able to take this next adventure with us as we had such a wonderful time traveling with you on our last cruise.
