# Eight Miles North of Ocala

**From Ocala**, travel North on US 301/441 to Route 326. Turn right on Route 326 to N. E. Jacksonville Road (200A). Turn left on 200A to the blinking light in Anthony (approximately 2 miles) and turn right. At the four-way stop turn left, go to the rotary and keep right on 97th Street Road and proceed over the railroad tracks and approximately three blocks on the right is the Anthony United Methodist Church. Take the entrance past the church which swings around behind the church to the large building in the back.

**From Gainesville (or Jacksonville use US 301)**, travel South on US 441 until it connects with US 301. Go approximately 2 miles to 100th Street, turn left and go to the stop sign and turn right on Jacksonville Road. Then turn left at the second street, 97th Street Road (by the sign for the church) and continue through the rotary and over the railroad tracks and approximately three blocks on the right is the Anthony United Methodist Church. Take the entrance past the church which swings around behind the church to the large building in the back.

Hope to see you there!
