There are a lot of changes taking place at Space Trackers Square Dance Club. We are trying to keep everyone aware of the changes. At the March 15 dance those members present voted to discontinue round dancing, round dance lessons and to move the lessons from Monday night at McLarty Park to Thursday night at the Presbyterian Church from 6:30 to 8:00 before the Club Dance at 8 pm. The board determined that the best time to make this change is May 1. We think we have covered all the problems that may arise but we ask that you bear with us as we proceed from week to week. We welcome your suggestions to solve any problems that we have not anticipated. **One request we have is to respect the class and teacher, Whit Brown, by conducting your conversations quietly.** You are encouraged to join the class as angels upon arrival at no extra charge. Please be patient with us as the changes are made.

A NOTE FROM THE OUTGOING PRESIDENTS

“How time flies when you are having fun square dancing!!!” It seems like just yesterday that we were asked to be presidents of the Space Trackers Square Dance Club, but actually it has been two years. Yes, time flies. We have had a great time serving as presidents during these two years. The club has gone through a major change during this time and our sincere hope is that the club members support this change as this will allow our club to keep on dancing for years to come.

We are truly thankful for the great support that we have received from all of the club members and especially from the Board. If we hadn't had such great support we are sure that our term as Presidents would have been very difficult and we would not be saying “time flies when you are having fun square dancing”. Our departing request is that you continue to give our new officers and board members the same great support in the coming years. **This is a great club. Let's keep it that way.**

Thanks to everyone!
Dennis & Nancy Taylor
